AMENDMENT AND REPLY TO RESTRICTION

Assistant Commissioner for Patents  
and Trademarks  
Washington, DC 20231

Sir:

This Amendment and Reply to Restriction is in complete response to the Official Communication mailed February 21, 2002 (*i.e.*, Paper No. 9) and to the Restriction Requirement mailed July 30, 2002 (*i.e.* Paper No. 6). This Amendment and Reply to Restriction is being filed on or before the now current due date of March 24, 2003. Applicants herein provide the following amendments and remarks.

This Amendment and Reply to Restriction replaces the previous Amendment and Reply to Restriction filed on December 2, 2002. The December 2, 2002 Amendment and Reply to Restriction was deemed to be a *bona fide* attempt that purportedly failed to fully respond to the July 30, 2002 Restriction Requirement.
